Open Gym Revamp in the New Year!

Starting in January, School Aged & Preschool Open Gym will both be renamed & revamped! School Aged athletes will be able to use our new airbag pit during this time. This will also provide a bit more structure to our school aged open gym time so that students can still work on specific skill stations that are set up.

If you're looking for a second enrollment option, this is a great time for athletes looking to work on their skills outside of their normal class.

\$50/
